We support...

1

Collaboration

How? By ensuring the promotion and coordination of partnerships with stakeholders from different sectors (community, private, parapublic, government and municipal).

2

Research

How? By identifying the needs, gaps and assets of the community and newcomers, in accordance with the different steps in the settlement continuum.

3

Recommendations

How? By developing Francophone immigration action plans that meet the needs, fill the gaps and utilize the assets identified. Also, by raising awareness among communities and partners in the implementation of a Francophone immigration action plan.
