PRESS RELEASE

2019 Tournee de liaison in Saskatchewan

Regina, June 3rd, 2019 – The Francophone immigration network in Saskatchewan (RIF-SK) announces the *Tournée de liaison* or Liaison Tour on June 18 and 19, 2019.

Participants can connect online or participate in group viewing sessions in Moose Jaw, Regina and Saskatoon. The sessions of June 18 are in French, those of June 19 in English.

Co-organized by the *Fédération des communautés francophones et acadiennes* (FCFA) and Immigration, Refugees, and Citizenship Canada's (IRCC) foreign offices, these information sessions provide employers with practical information about recruiting qualified bilingual workers from abroad.

The tour's primary goal is to raise awareness of IRCC programs that support Francophone immigration and potential international recruitment pools.

Although mainly intended for employers and representatives of economic sectors, the tour also targets Francophone communities, human resources professionals and recruiters. It also targets sector councils, professional associations, and economic development agencies such as chambers of commerce.

The Francophone immigration network in Saskatchewan (RIF-SK) is a provincial Francophone round table. Its mandate is to facilitate the development of services and resources that foster the arrival, retention, and inclusion of Francophone immigrants in Saskatchewan. RIF-SK does not provide direct services to recent immigrants; instead, it works with community and government actors to promote Francophone immigration to Saskatchewan.
